

SVM Classifier and regression

SINDHURA NADENDLA

Support Vector Classifier (SVC)

Support Vector Regressor (SVR)

SVM code snippets in python

```
# Support Vector Classifier  
from sklearn.svm import SVC  
model = SVC()  
model.fit(xtrain,ytrain)
```

```
# Support Vector Regressor  
from sklearn.svm import SVR  
model = SVR()  
model.fit(xtrain,ytrain)
```

Thank you
